Celebrating Our Fifth Year in Lexington

For a year we have been preparing for this event, picking up bargains wherever we could find them, for we wanted to be in a position to offer to our customers the greatest array of bargains in the history of Lexington, and we have succeeded even beyond our expectations.

For just at the last minute of our preparation, we got the chance to buy the remainder of a high grade stock of Dry Goods and Notions of the Henderson Dry Goods Co. of Fulton, who were retiring from this line.

And we bought it at our OWN price, how cheap you will know when you come to this sale and see how cheap we are selling it.

The Henderson Dry Goods Co. carried nothing but high grade goods so these offerings are of the best.

We are putting them in this sale to close them out entirely, we cannot enumerate near all the items in this stock, but in this sale they will all be on display, and be priced with yellow price tickets and cards.

In addition to these wonderful close out bargains we have gathered to gether a wonderful lot of reasonable merchandise at the old "BEFORE THE WAR PRICES."

To make this sale the biggest sale in our history, and this the biggest Month and Year, we are offering these goods at less than they would cost us to replace them today.

And there is no prospect for any decline in cotton or wool goods, in fact they are all going higher, but we want you to know that we appreciate the wonderful business you have, by your liberal patronage helped us to build up here in Lexington, and we are putting on this sale to show you our appreciation, and to divide some of the profits of this our biggest year with you.

Remember, Store will not open Saturday, November 24th, until 9 a. m. and as some of the items in the Henderson Dry Goods Co. stock are limited it will be first come, first served. Every item in this sale a bonified one and will bear a yellow ticket, and tables and counters will be marked with yellow price cards.
